

Notice of Pre-Qualified Vendor List Creation

Initial Notice Date: January 11, 2021
Updated Date: January 14, 2021

Project: Pre-Qualified Vendor List for Intelligent Transportation Solutions
Owner: Community Transportation Association of Idaho RFP: 2020-10-29

Background

The Community Transportation Association of Idaho (CTAI) released an RFP to establish a list of pre-qualified vendors for designing, implementing and maintaining Intelligent Transportation Systems (ITS) to meet the needs of public transportation systems in the State of Idaho. The RFP was issued on October 29, 2020. Proposals submitted by December 22, 2020 and meeting the minimum submittal requirements were evaluated by a panel of subject matter experts for qualifications to be placed on the vendor list for specific ITS solutions.

Pre-Qualified List of Vendors

After careful consideration of completeness and quality of each proposal, CTAI is identifying the following vendors to be included in the Pre-Qualified List for Intelligent Transportation Systems in Idaho. The list is broken-out by categories with vendors qualified within each category.
